

Property Owner or Agent of Property (Waiver of Damages)

Clifton Recycling Inc. is not responsible for damages caused by our delivery truck inside the curb line.

Please note: There is a very high probability that the delivery truck will damage your property due to the weight of the vehicle and load, resulting in cracked and / or broken driveways, curbs, sidewalks, lawns, etc. This could also result in the need for towing at the property owner's expense. The customer agrees to pay for towing, stand by time at \$60. per hour and any and all damages to the delivery truck.

I have read, understand and agree to the above terms and statements:

Property owner approval or agent of property owner approval

(This does not include neighbors or children under the age of 18)
